

Comprehensive Digital Transformation Roadmap

Moving Suraj Wood from Digital Invisibility to AI-Ready Market Leadership

Prepared For: Mayank Singhal & Dhruv, Directors, Suraj Wood Products Pvt. Ltd.

Prepared By: Vasu Ranganathan, Digital Strategy AI Growth Consultant

Date: February 28, 2026

Exceptional Physical Product. Invisible Digital Presence.

Premium European-inspired aesthetics with **strong product-market fit**. Visually appealing portfolio.

Digital Health Scorecard

- Operating as a static digital brochure.
- Zero commercial intent keywords targeted.
- Missing foundational SEO and AI-visibility.
- Unable to compete in a high-intent B2B/B2C online market.

The Cost of Invisibility: Critical Infrastructure Failures

Pillar 1: Broken Discovery

- Single-page architecture (legacy .php).
- **Zero** Programmatic SEO (PSEO).
- **No** product detail pages (PDPs) or technical data sheets.

Pillar 2: Broken Trust & UX

- **No** SSL/HTTPS (**Critical security risk**).
- Failed Core Web Vitals (>4.0s LCP).
- Missing Web Accessibility (WCAG 2.1 non-compliant).

Pillar 3: Broken Conversion

- **No** tracking infrastructure (GA4/GTM missing).
- Buried Call-to-Actions (CTAs).
- **Zero** lead capture mechanisms or lead magnets.

The Competitor Gap: Who is Capturing Your Market Share?

Europanell	European Technology messaging, detailed fabrication guidance, local dealer PSEO pages	✓	✓	✓
Royale Touche	45+ years heritage, massive topical authority, 600+ design pages (Programmatic SEO), extensive buyer's guides	✓	✓	✓
Anand Plastics	Deep technical specifications, 70,000 sq ft transparency, cut-to-size service messaging	✓	✓	✓
Suraj Wood Gap	Zero content marketing, no technology differentiation story, no technical specification depth, missing local SEO presence			

The Strategic Leap: A Complete Digital Ecosystem

Phase 1: Foundation, Architecture & Analytics

Weeks 1-12

Technical Foundation

- Immediate HTTPS migration, Core Web Vitals optimization (<2.5s load), CDN deployment.

Platform Build

- 35-page custom CMS-driven site with mobile-first design and interactive dealer locator.

Internal SEO Matrix

- URL restructure (/products/acrylux/kitchens), Schema Markup (Organization, Product, LocalBusiness), and Breadcrumb navigation.

Analytics Deployment

- GA4, Google Tag Manager, Search Console, and Looker Studio real-time executive dashboards.

Investment: ₹5,50,000

Phase 2: Scale, AI & Market Dominance

Weeks 9-18

The Growth Engine: Programmatic SEO (PSEO)
